Mr. Gary Schmitt, Minority Staff Director  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Mr. Schmitt:

Enclosed are answers to four questions that Senator Nunn wanted to have answered for the record as part of the DCI's Worldwide briefing of the Senate Armed Services Committee on 6 February. Because some of these questions concern resource and operational issues, we believe it is more appropriate to make them available to the Senator through your Committee. Would you please advise the Senator that the answers are now available.

In addition, you might wish to call

to the Senator's attention. He has indicated a continuing interest in this topic. Arnold Punaro of the Senate Armed Services Committee staff has been told that you will be holding the responses.

Sincerely

/s/ Clair E. George
